Bill,

I just received notice of an appraisal on another existing claim taking place on the morning of October 9 so I must move our inspection. I am still available on October 9 but in the afternoon around 2:00. Please advise that this works for you. Otherwise I would also be available the afternoon the following day October 10 to inspect your windows and any other areas of potential hail damage.

I apologize for having to move the inspection time.

Respectfully,

Nathan Prieve PE
