Dear Yibiao Lu:

Thank you for choosing us to provide for your insurance needs. We value you as a customer and appreciate the opportunity to be of service.

On October 7, 2021, we received your request for an extension of time to complete your repairs or replacement and recover Replacement Cost benefits under your policy. We're happy to extend your replacement cost deadline to February 15, 2022. Please complete the work and send the invoices to our office on or before this date.

If you have additional documents that apply to your claim, please send them to us for review.

Please note there are time limits set forth in the Conditions ("Suit Against Us" or "Legal Action Against Us") section of the policy which, depending on your state, may affect the time within which you may pursue your claim. This period may have been extended by statute or case law.

We encourage you to visit www.farmers.com to learn more about our self-service options available to you, including the ability to view your claim status, upload documents and photos and find local service providers.

If you have any questions, please contact me at 913-227-2311.

Thank you.
