Activities regarding the claim

- On 8/9/2024: Mary of Legacy called us. We found the leaking to the windows.
- 0n 8/13/2024: Jack from Legacy stopped by our property. He also found a dent to the windows and helped us to open the claim with Farmers.
- On 8/19/2024: we called Farmers for status update.
- On 8/19/2024: Farmers called back and told us that the Inspection will be done by Hancock Claims Consultants.
- On 8/20/2024: we called Hancock and gave them the contact from Legacy to schedule the inspection.
- On 8/29/2024: Jayden Grimm of Hancock Claims Consultants came to perform the inspection.
- On 9/3/2024: We got a phone call from Farmers and was told the claim was denied.
- 0n 9/5/2024, we submitted photos of hail damages to windows to Farmers.
- On 9/5/2024, Farmers re-opened the claim
- On 9/5/2024, Farmers adjuster Nic Brau called to schedule the second inspection.
- 0n 9/6/2024, Nic came to perform the inspection. We showed him the window leaks and the external hail damages to the windows. We found some new dents together.
- We continued to look for hail damage evidence and sent additional photos of evidence to Nic on 9/8/2024, 9/10/2024.
- On 9/10/2024, received an email from Nic Brau that Farmers would hire another inspector, Nathan Prieve, to inspect the windows.
    - On 9/16/2024, the schedule with Nathan was setup for Nathan to come on 10/9/2024
- On 9/11/2024, we stopped by our agent's office. Peter Pietila (our agent) said damages need to be documented before inspector comes.
- We continued to spend early morning before work and late evenings after work to look for hail damage evidence on the windows that we can reach and created an document.
- On 10/9/2024, Nathan came to perform the inspection. We handed him a copy of the document upon his request.
- On 11/4/2024, the claim was denied again by Farmers.
- On 11/7/2024, We talked to our agent Pete and he sent us the Report from Nathan with all the photos attached:
    - **There are many photos in the report showing dents on many windows.**
    - **The report also concluded that there has been no hail in our area after Aug 2020.**
- On 11/8/2024, after reviewed the report and photos, we wanted to talk to Nic for our questions. We sent an email to request a meeting with him.
    - On 11/11/2024, we got response from Nic: "I have received your email, and we have already responded with our finding/outcome in the letter/engineer report that I have attached and that was sent to you on 11/4/2024."

- On 11/19/2024, submitted the compliant to the Minnesota Department of Commerce (Complaint ID is 93547).
    - Have been working with Katherine Toomajian on this issue.
- On 1/31/2025, we went to Pete's office (our agent). We asked Pete what we should do and he gave us the contact information of Bradlee Monson, the field claim supervisor.
- On 1/31/2025, after the meeting Pete, sent emails to Bradlee and Nic, attached the documents:
    - A letter that stated we disagreed with the conclusions from the Engineer report and requested Farmers to review the additional facts/evidence.
    - Evidence of recent hail damages
    - Summary weather information from Stormersite.com showing there are major hailstorms in 2022, 2023, and 2024 in Eden Prairie area.
    - All these documents have been uploaded to Farmers claim center as well.
- On 2/3/2025, Called Bradlee and asked him to review the documents we sent over.
- On 2/3/2025, after the conversation with Bradlee, we went to Department of Commerce and talked to Katherine. She suggested us to go to City of Eden Prairie to get the list of our neighbors who did exterior work in last couple years and talked to neighbors to see if their work is related to hail damage.
- On 2/3/2025, we went to City of Eden Prairie to make the request. The city told us the list would be ready the next day.
- On 2/4/2025, we went to City of Eden Prairie and got the list.
- From 2/4/25 to 2/7/25, under very cold condition, we knocked over 40 neighbors' doors and was able to talk to 19 of them. For those 19 families, 14 of them said their properties were damaged by hails and cost for repairs are covered by insurance based on the approved hail damage claims.
- On 2/10/2025, submitted one more response to Farmers' final inspection report, summarized the results from our talks with neighbors:
    - There are hailstorms damaged our neighborhood in 2023 ad 2024.
    - We requested Farmers again to review these new facts/evidence.
- On 2/10/2025, got a voice mail from Nic Brau of Farmers, saying they won't look at these facts/events.
- On 2/12/2025, Sent the above response (sent on 2/10/2025) to Farmers to Katherine of the Department of Commerce.
- On 2/13/2025, Katherine forwarded the above information to her director to additional review, but they are not able to take additional administrative action.
- From 2/14/2024 to 4/23/2025, we have been away from our home due to international travel.
    - After we got back, we went to talk to Katherine, and she recommended us to take legal action as next step.
    - After got her recommendation, we have been talking to attorneys.

- On 5/28/2025, we went to Pete's (our agent) office.
    - We shared the new findings with him:
        - The weather report from interactive and
        - An article from National Weather Service for the July 13-14 storms (strong wind and hail) that impacts Eden Prairie; it also reports that there are hail stones up to 4 inches in some areas.
    - We reiterated our request: Farmers should review these new facts and evidence and reevaluate the claim. They can't just ignore the facts and evidence and refuse to do anything about them
    - Pete uploaded the new facts to their system and asked the claim team to review.
    - As of now (6/18/2025), there has been not any feedback from Farmers on this matter.
- On 6/06/2025, we went to the Department of Natural Resource and Talked to Marvin. Marvin recommended us to go to FOX9 to get weather reports.
- On 6/06/2025, after talking to Marvin, we went to FOX9 office in Eden Prairie and talked to Mike, the head of security. He asked us to call or email to make appointment.
- On 6/8/2025 (Sunday), we sent an email to FOX9 to request an appointment.
- On 6/9/2025 (Monday), we called FOX9 and left a message to request an appointment.
- On 6/9/2025, we went to Minnesota Bar Association, and they recommended us to call Minnesota Lawyer Referral and Information Service.
- On 6/9/2025, we went to Hennepin County Law Library and got some help from Librarian there.
- On 6/10/205, we made a referral request with Minnesota Lawyer Referral and Information Service and paid $30 service fee.
- On 6/11/2025, we got response back from Minnesota Lawyer Referral and Information Service: "… Unfortunately, we do not have an attorney available to pursue your claim through the referral service. Your credit/debit card hold has been cancelled …"
- On 6/17/2025, we went to Hennepin Government Cetner's Self Help Center and got a package on how to start a lawsuit in civil court. The people in that office are very knowledgeable and helpful.
- On 6/18/2025, we went to Self Help Center to talk to John (volunteer lawyer).
- On 6/178/2025, we went to Legacy and talked to Pat. Pat called the Attorney General Office to explain our situation (Farmers refused to review any new facts and evidence) and he helped us creating a Consumer Assistance Request (ID: 6260735278129023664).
