Dear Yibiao Lu:

Thank you for your recent correspondence regarding the above-referenced claim.

We believe our adjustment of this claim has satisfied our duties under the policy, and our position on the claim therefore remains unchanged at this time. However, we understand from your correspondence that you disagree with the denial of your claim and wish to resolve the dispute through the appraisal process. Therefore, in accordance with the terms of the policy, we have selected the following independent third party as our appraiser:

Appraiser:	Gregory Tomes
Contact Number:	(612) 237-6830
Email Address:	gregorytomes@gmail.com

Please note that the scope of appraisal is limited to evaluating the amount of loss, actual cash value, or cost of repair or replacement. Policy interpretation, coverage, and other disputes may not be addressed in appraisal. Although we have agreed to engage in the appraisal process, please understand that we will not pay any portion of an award that includes damages which are not covered under the policy, and we will not be bound by any finding which exceeds the appraisal panel's authority. Our agreement to engage in the appraisal process is not to be construed as an admission of coverage or a waiver of any of our rights or defenses under the policy, all of which are expressly reserved.

Regarding appraisal, the subject policy provides as follows:

SECTION I - PROPERTY CONDITIONS

10. **Appraisal.**

If you and we fail to agree on the **actual cash value**, amount of loss or damage or the cost of repair or replacement of the loss or damage, either one may make a written demand for appraisal. Each will

then select a competent and disinterested, independent appraiser and notify the other of the appraiser's name within 20 days after the written demand is received. The appraisers will choose a competent, independent and disinterested umpire. If the appraisers cannot agree upon an umpire within 15 days, you or we can ask a judge of a court of record in the judicial district where the **residence premises** is located to choose an umpire. Any person or entity which has performed services for either party at any time as respects the particular loss or damage or loss event at issue in the claim may not serve as an appraiser or the umpire.

The appraisers will then set the amount of loss or damage, stating separately the **actual cash value**, the repair or replacement cost and a description of the damage and extent of damage for each item of property. If the appraisers submit a written agreement to us, the agreed amount will be the amount of loss or damage and **actual cash value**. If the appraisers cannot agree, they will submit their differences to the umpire. A written agreement signed by any two will set the amount of loss or damage and **actual cash value**. Each party will pay the appraiser it chooses. The umpire and all other expenses of the appraisal will be paid equally by you and us.

Interpretation of this policy and whether any particular loss or damage to covered property is in fact insured under this policy may not be determined under this provision.

We expect that the appraisal will be conducted in accordance with the above appraisal provision, and we look forward to your anticipated cooperation. Please note that we do not waive and expressly reserve all our rights and defenses under the policy and applicable law, regardless of whether they have been specifically referenced. The content of this letter is not intended as, nor should you consider it to be, a waiver or extension of any of the conditions, limitations, or exclusions of the policy.

Thank you.
