Dear Yibiao Lu:

Thank you for allowing us to come to a resolution by engaging the appraisal process pursuant to your policy. This letter outlines the results of the appraisal completed per the process outlined in your policy. Please find attached a copy of the award and estimate for your records.

The appraisers estimated the replacement cost value of claimed damages to be $12,800.00 and the actual cash value to be $6,400.00.

Your settlement breakdown and other claim related information can be found on the included Additional Information page.

In order for payment to be issued for the damages, the amount of the loss must exceed the amount of your deductible. Since the amount of estimated damages is less than your deductible, no payments can be issued at this time and we are closing our claim file. This determination was based on the appraisal panel inspection. The umpire and your appraiser signed the attached award.

We've completed the adjustment of your loss and we are closing your claim. Closing your claim does not affect processing payments for recoverable depreciation, or outstanding payment for any other covered part of the claim that has already been accepted and adjusted. Closing your claim does not prevent you from providing us with additional information, including supplemental claims and requests for recoverable depreciation, within the time limits stated in your policy. We will inform you in writing if any such additional information results in reopening your claim.

We encourage you to visit www.farmers.com to learn more about our self-service options available to you, including the ability to view your claim status, upload documents and photos and find local service providers.

If you have any questions, please contact me.

Thank you.
