We appreciate the opportunity to serve your insurance needs and want to make sure you have a clear understanding of how your claim will be processed.

Please see the attached estimate of repairs for your damaged property, also called the Replacement Cost Value of your loss. When depreciation is applied to the estimated repair costs, the Replacement Cost Value less depreciation is the Actual Cash Value of your loss. Depreciation is based on the average quality, age, condition, and useful life of the damaged property, unless otherwise noted. Actual cash value for roof materials is determined using either the scheduled roof table if in the policy or the age, condition and useful life of your roof materials. The applicable policy deductible(s) will be deducted from these amounts unless it is applied to another line of coverage.

Please note this estimate reflects the extent of known covered damages to the property referenced above. No supplemental or additional payments will be issued for repairs that have not been included in this estimate, without prior approval. This approval must be obtained prior to replacement or repair. We must have the opportunity to view and inspect any proposed changes or additional work.

Should you receive an estimate of repairs that exceeds this estimate, or if you wish to send us any other information related to your claim, please include "Attention Claim # 7007986837-1" and forward this information to us by:

1. E-mailing to myclaim@farmersinsurance com
2. Faxing to 877-217-1389
3. Mailing to National Document Center, P.O. Box 268994, Oklahoma City, Ok 73126-8994

When your policy provides for Building Ordinance or Law coverage, any known covered costs resulting from ordinance or law upgrades are itemized in this estimate or contained in a separate estimate we will provide to you. However, these costs are not included as part of the Actual Cash Value of this estimate unless we are paying the full Replacement Cost Value under this estimate at this time. Otherwise, ordinance or law costs will be paid under your policy when incurred by you, subject to your deductible.

Although as a service we may refer contractors or other repair professionals to you, it is your decision to hire the contractor of your choice. We neither direct or manage the activities nor guarantee the work of any contractor, whether referred or not. It is up to you to make sure the work is completed to your satisfaction.
We encourage you to visit www.farmers.com to learn more about our self-service option available to you; including the ability to view your claim status, upload documents and photos and find local service providers.
